| SPAN 240: Politics and Environment in Puerto Rico | \$3,500 | \$650 | n/a | \$0 | n/a | \$4,150 |

*Program Fee includes all academic expenses, shared housing (2-4 students per room), program events, group local transportation for program events, three meals/day, (while off campus), and emergency medical insurance for international programs.

†Based on estimated round-trip airfare from MSP and public transportation from arrival airport to program site. Paid out of pocket unless included in program fee.

‡Based on estimated Covid testing requirements for travel and paid out of pocket.

§Total Cost does NOT include personal baggage fees, immunizations/medications, travel insurance, personal/elective expenses, local transportation for non-program related travel. IOS recommends that students budget some money for these purposes.

Note: All costs listed are the most accurate estimates possible. They are subject to change due to airline costs, the rate of inflation, and fluctuating rates of exchange. These factors might also necessitate the cancellation of a course if enrollment is not sufficient. If it is necessary to update costs, information will be provided in the fall.
