SPAN 270: Spain's Cultural and Linguistic Legacy	\$4,185	\$1,200	\$180	\$50	\$5,615

*Program Fee includes all academic expenses, shared housing (2-4 students per room), program events, group local transportation for program events, three meals/day (while abroad/away), and emergency medical insurance for international programs.

†Based on estimated round-trip airfare from MSP and public transportation from arrival airport to program site. Paid out of pocket unless included in program fee.*

§Total Cost does NOT include immunizations/medications, travel insurance, personal baggage fees, laundry, cell phone plans for international programs, personal/elective expenses, and local transportation for non-program related travel.

The Smith Center recommends that students budget some money for these purposes.

Note: All costs listed are the most accurate estimates possible. They are subject to change due to airline costs, the rate of inflation, and fluctuating rates of exchange. These factors might also necessitate the cancellation of a course if enrollment is not sufficient. If it is necessary to update costs, information will be provided in the fall.

Scholarship notifications will be sent out by May 22 via email from the Office of Financial Aid after you have committed to a program.
