*Program Fee includes all academic expenses, shared housing (2-4 students per room), program events, group local transportation for program events, three meals/day, and emergency medical insurance for international programs.

#Based on estimated round-trip airfare from MSP and public transportation from arrival airport to program site. Paid out of pocket unless included in program fee.

**Total Cost does NOT include immunizations/medications, travel insurance, personal baggage fees, personal/elective expenses, local transportation for non-program related travel. IOS recommends that students budget some money for these purposes.
